

FYP Logbook Entry Sheet

Meeting No: 13

Date:13/04/2022

Start Time: 1:00 pm

End Time: 3:00 pm

Items Discussed:

1. News Section
2. Documentation

Achievements:

In this meeting, I have completed news section after consulting with my supervisor and also, I have completed 80 percent of chapter 1 of final report section for my project.

Problems:

Since there was a sample of final report it wasn't a tough work to complete chapter 1, but I am confused in different topic of chapter 1 like background and development testing and analysis etc. in whether I had to mention all my development section in chapter 1 or not.

Tasks for Next Meeting:

1. Start Chapter 2 of final Report.
