

FYP Logbook Entry Sheet

Meeting No: 15

Date: 22/04/2022

Start Time: 1:00 pm

End Time: 3:00 pm

Items Discussed

1. Development of Final Report
2. Survey Form
3. Use case, Sequence Diagram

Achievements

In this meeting, I have completed the following: considered methodology, selected methodology, comparison between two methodologies, tasks carried out in the Rational Unified Process (RUP) Use Case etc.

Problems

I had difficulty with sequence and communication diagrams because I completed my project on my own, but due to a lack of knowledge in these diagrams, it became difficult for me to complete.

Tasks for Next Meeting

1. Testing and Analysis
2. Complete overall Documentation
